Huntcliff day camps are full of fun! Campers will enjoy horseback riding, learning horse care and arts and crafts! Huntcliff provides snacks and water/Gatorade. Campers will need to bring a bag lunch! In our new kitchen area, we also have vending machines that provide drinks and snacks. On the last day of each camp, there is a "Fun Show" that starts at 12:00 p.m. for parents and friends to attend and a pizza party immediately follows. Don't forget to bring your camera!

Our day camps aim to teach children (ages 5-12) about the wonderful world of horses. Camp will be held rain or shine! We have a new air conditioned lounge where campers can "hang out" and learn about the care of horses, their characteristics, breeds, colors, and safe handling -- both on the ground and while mounted -- in a fun-filled environment.
